Dear Educator:

Plymouth Travel has long been a leader in providing affordable, quality tours for schools and civic groups throughout New England. We would like to help you arrange a fun, safe and cost-effective school tour this year! This brochure provides a few “*sample*” itineraries for New York City, Washington, D.C., Boston, Pennsylvania, Lake George and Montréal. You are not limited to these destinations. In the past, we have created tours for schools to other exciting places including Orlando; Quebec City; Virginia Beach; the West Coast and overseas.

Plymouth Travel is a New England business that has been in business for over 32 years. Our reputation is on the line with every NH and VT school we arrange. Unlike an out-of-area company, to whom you are a statistic, your business is important to us and we will strive hard to earn it. We would be happy to travel to your school to meet with you, students, parents, and school officials and discuss the possibilities in greater detail.

We welcome you to contact us with your ideas and for a “no obligation” tour proposal.

We look forward to the opportunity to be of service!

Best wishes,
Rick and Wanda Bogin
